# About Our Inventories

Jackson and Associates, Inc. stock over 3,000 SKUS. Our inventory is always changing. Please take into consideration - specific product availability will vary.

Our goal is to always maintain inventory for you and your valued customers. You have choices, that's why we work hard to deliver special requests no longer than 7 business days!

All of our products CAN BE combined for programs and shipments.

At Jackson's, we promise that receiving our products will be quick and efficient. Our shipments will be easily identifiable, shrink-wrapped, and contained on a quality skid with paperwork attached.

Once you place your order, our inventories are committed to you. You'll get what you ordered, when and where you want it. We can even ship it directly to your customer for you!

We may not have invented the easy button but we are working hard to perfect it!
